# Story ONE

## Room for rent

Samantha is renting a flat. She studies at a local college at the second year. It's very convenient for her as she can walk to the college. It takes her about five minutes. Her flat consists of two rooms. Lately, her roommate has left so Sam needs to find a person who will share the flat with her. She decides to place an ad in a local newspaper. This newspaper is popular among the students and the ad is likely to be read by one of them. Samantha phones the advertisement department. She leaves a message. Later she gets a call from a newspaper worker. They talk the conditions. Tomorrow Sam will go and pay for the ad. It will cost her nearly 3 dollars per month. She hopes to find someone within this time.

She waits.
