Stories about fox
Liza and wolf Alex

Introduction

She is a small fox with a sweet smile and a fluffy tail.
She is a sly fox.

She likes to jump on the grass. She likes sweets and berries.

He is a big wolf with muscles and strength. He is very independent.

He likes to lie under trees in the shadow.

He likes meat, but sometimes he thinks he can be a vegetarian.

Story 1. First meeting

There was a big magic forest, where different animals lived together. They tried to live in peace, but, like in every society, it was impossible. They argued, bit and ate each other, regularly fought for leadership.

Their first meeting happened at sunset. The sky was different colors – red, orange, yellow, blue. It was the magic sky. Everything around was shining.

A fox found something interesting in the grass. Only her fluffy tail was above the grass.

Suddenly she heard a voice “Wow, I know this beautiful tail. I saw you before in another forest.”

She was surprised to see a big wolf. He was standing under the tree and was smiling

Story 2. Alex & Liza

“Hello”, the fox said to the wolf.

On her nose she had a red berry. She ate the berry quickly and smiled.

“Why such a beautiful fox walking alone in our forest?” the wolf asked smiling.

“I have been living here since last year”, she answered quietly.

“What is your name, cute stranger?”

“Liza”, she blushed.

“My name is Alexander.”

“Alexander?” she asked.

“Yes, I know, my name is too long to pronounce. That’s why my friends call me Alex. Nice to meet you, Liza! Now I need to go, I have a lot to do. See you later, Liza.”

His voice was so pleasant and his smile was so cute, that she forgot to reply him. She was only standing and looking at this big wolf, feeling confused. It was their first conversation.

Story 3. Fox's thoughts

It was an early morning. The forest just started to wake up. The fox saw first animals going to the river and the forest.

Liza was lying in a bush and her thoughts were very far away from the forest. She couldn't sleep last night. The reason was the big smiling wolf Alex!

Liza tried to remember stories about friendship between a fox and a wolf, but she couldn't. She remembered stories about

Cinderella and The Prince, Snow White and the Seven Dwarfs, Beauty and the Beast and others. In every story there was a beautiful girl and a handsome guy, not a common fox and a handsome wolf.

Liza was sad. She remembered her uncle's stories about foxes and wolves, who often fought between each other.

Liza closed her eyes and tried to sleep

Story 4. Wolf's thoughts

It was midnight.

The big wolf was on a high hill and looking at the full moon.
He was thinking about the small fox.

Alex tried to remember their conversation, but he only remembered himself talking.

“Maybe my compliments were very boring or silly? That’s

why she didn't want to speak to me!" he said.

He knew, foxes were very talkative, sly and loved to cheat wolves. Liza just told him her name, nothing else.

He remembered her eyes and wanted to cry to the moon.

Story 5. Hide-and-seek

It has been six days since their conversation.

Liza forgot about the wolf quickly, like any fox would. She jumped, ran in the forest, laughed and had fun with other foxes.

One sunny morning Liza played hide-and-seek with her friends. She hid in the thick grass and fell asleep.

Suddenly she heard a familiar voice. It was Alex. He smiled

at her. He brought her a big basket full of tasty berries.

Liza closed her eyes with pleasure and when she opened them, she saw her girlfriend Valery.

“I find you, Liza! You hid very good, but I found you anyway!” she said.

Liza looked around and understood that she dreamed about Alex.

She didn't forget him!

Story 6. A ball

“Liza, why do you look so confused?” Valery asked.

“I had a dream.”

“About the wolf?”

“Yes, about Alex.”

“Stop thinking about him. He is a big wolf! Wolves are dangerous for us, so is he! Let’s go to play ball! Come on, Liza!”

Valery threw the ball to Liza and rushed into the forest quickly.

Suddenly the ball rolled into the bushes. Liza ran into the bushes and stopped.

She saw Alex with her ball.

“Hi, cute Liza! I found a ball. Is it yours?” he asked, smiling at her.

“Yes, it is our ball”, she answered blushing.

“Well! You can take it!”

They heard voices in the distance.

“My friends are looking for me. I need to go, charming Liza. I will wait for you after sunset by the river under the old oak-tree. I think, we have a lot to discuss, don’t we?” Alex asked, moving closer to Liza.

“Maybe...” she answered looking down.

“See you later!” he said and ran away very quickly.

“This big wolf is really handsome!” Valery said, coming out of the bushes. Liza was overwhelmed.

Story 7. Under the old oak-tree

The day was over. Animals came back to their houses.

Liza was standing in front of the mirror and choosing a hair bow.

She wanted to look like a real princess this evening. She couldn't choose between the white and the pink hair bows.

In the meantime, Alex didn't have any doubts that he was perfect with his black bow-tie. Alex was ready to meet Liza.

After sunset he was under the old oak-tree. Alex waited for the cute small fox.

Liza was ready to go. Suddenly Valery came to her.

"Where are you going?" Valery asked.

"I want to go for a walk."

"Alone?"

"Yes, I want to walk alone."

"I know, you are going to meet with this wolf. I have told you already, he is dangerous. He is a big wolf with big fangs and claws! He is very strong! He can hurt you!" Valery was very emotional, when she was saying that.

"No, Alex is different!"

"You can do whatever you want, dear Liza. But I warned you!"

Valery went away and Liza ran to the river quickly.

When she saw Alex under the old oak-tree, he was sitting and smiling. His big fangs were shining in the darkness.

She remembered Valery's words about wolves and the danger. Liza got scared and ran away.

Alex waited for Liza while the moon was rising above his head. He understood that she wouldn't come.

Alex got upset. He didn't want to look for the reason why Liza hadn't come. Alex went home.
